

Rimrose Valley Friends has initiated this survey to gather information on how people use Rimrose Valley Country Park as part of building our case for "Local Green Space" designation, which is a way to provide special protection against development for green areas of particular importance to local communities.

We will be very grateful if you would complete this survey and pass it on to others to do the same.

If you wish to show your support for Rimrose Valley and haven't already done so, please sign up as a **Rimrose Valley Friend** at www.rimrosevalleyfriends.org/join. The more people we have signed up as a Friend the louder our voice and the more actively the community can be a part of Rimrose Valley.
